OLLSCOIL NA GAILLIMHE  
UNIVERSITY OF GALWAY

A course, led by the highly skilled Joe Dale, exploring AI tools to enhance teaching at all levels. Here's what we discovered...

7-12 July 2025, Galway (Ireland)

- ✦ **Monday:** Focus on ChatGPT fundamentals—lesson planning, rubrics, targeted feedback, and reflections via Padlet.
- ✦ **Tuesday:** AI visuals with Padlet image generator, Wheel of Names, Ideogram, and the popular Legofy tool. Later, Book Creator projects with narration, speech bubbles, AutoDraw, and Suno for AI-generated songs.
- ✦ **Wednesday:** Assessment tools like Brisk Teaching, Google/Microsoft quiz generators, Google Earth Projects with ChatGPT, and speaking practice with Mizou chatbots and Google AI Studio.
- ✦ **Thursday:** Collaborative learning using Padlet's AI Recipes and shared resources.
- ✦ **Friday:** Tools like Turboscribe and Diffit, followed by a 2.5-hour challenge to create AI-enhanced eBooks.
- ✦ **Saturday:** Final showcase of innovative, practical eBook projects that integrated all the tools—highlighted as the participants' favourite activity.
